Subject: 73rd Fire College Weekend

The 73rd Fire College Weekend program is scheduled for May 2nd and 3rd, 2009. The program will be held at the Alabama Fire College located at 2501 Phoenix Drive, Tuscaloosa, Alabama 35405.

There will be approximately 400 firefighters from across the state attending this event. The display and demonstration of apparatus and equipment have been very popular in previous years. Therefore, we would like to invite you to participate in this year's Fire College Weekend.

The vendor area will be set up in the bay area of the Fire College. Set up time will be the afternoon of Friday, May 1st and the vendor area will be open for viewing at 1pm until 5pm and on Saturday, May 2nd from 8am to 4pm.

Space is limited and will be assigned on a first come first served basis. A 10x10 display space is allotted for each vendor who registers. The cost per space is \$175.00, and you may purchase more than one space if needed. A special area will be available for apparatus displays at a cost of \$50.00 per apparatus.

A registration form has been included with this letter and also posted on our website at www.alabamafirecollege.org. Please submit your registration as soon as possible so we can make plans for this event.
