

ALABAMA FIRE COLLEGE

COURSE CRITIQUE

Course Title _____

Course Date _____

Course Instructor _____

Students are well qualified to judge the effectiveness of a course and to offer suggestions for improvement. Your ratings and comments enable Alabama Fire College to identify the strengths and weaknesses of its programs with the purpose of providing better customer service to you. All collected data is confidential and is used only for program evaluation. We appreciate your honest and sincere evaluation of this course.

INSTRUCTIONS: Consider each item separately and rate each item independently of others. Circle the rating that indicates the extent to which you agree with each statement. Do not skip over a rating. If a particular statement does not apply to your experience in the course, circle N/A.

Rate each statement according to the following values:

5 = Strongly agree 4 = Generally agree 3 = Neutral (neither agree or disagree)

2 = Generally disagree 1 = Strongly disagree N/A = Not applicable

I. The lead instructor
